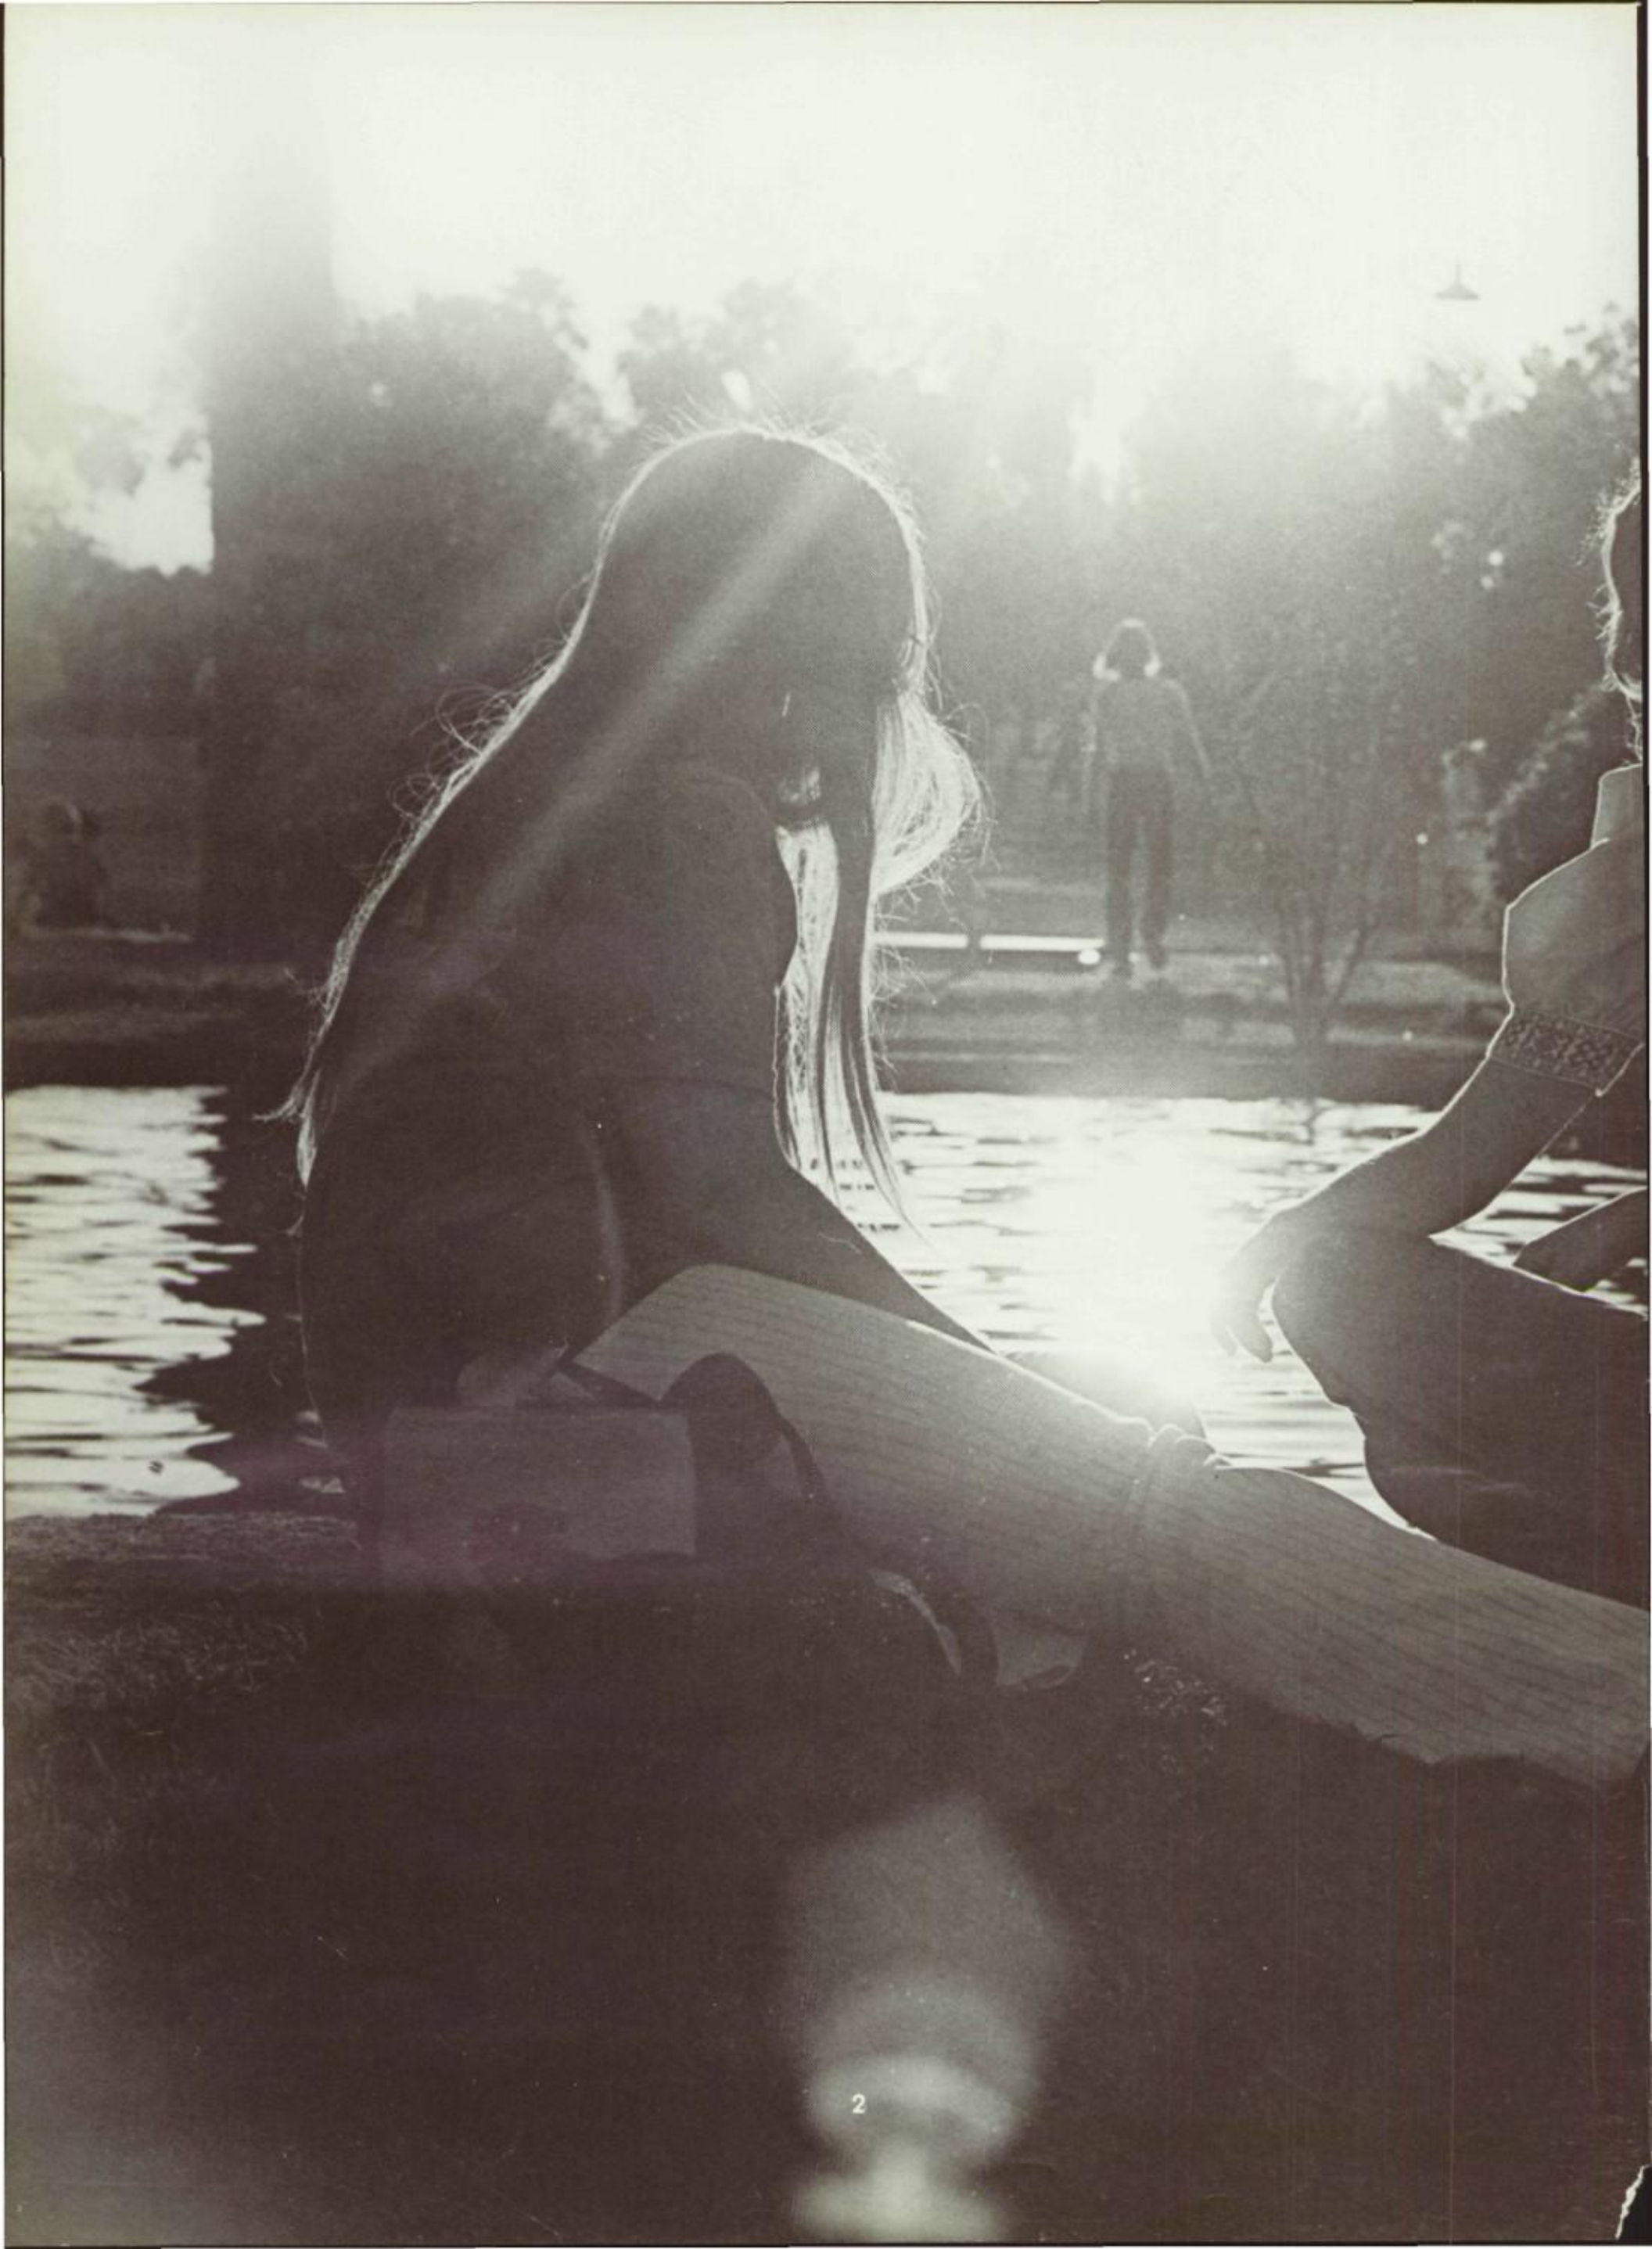
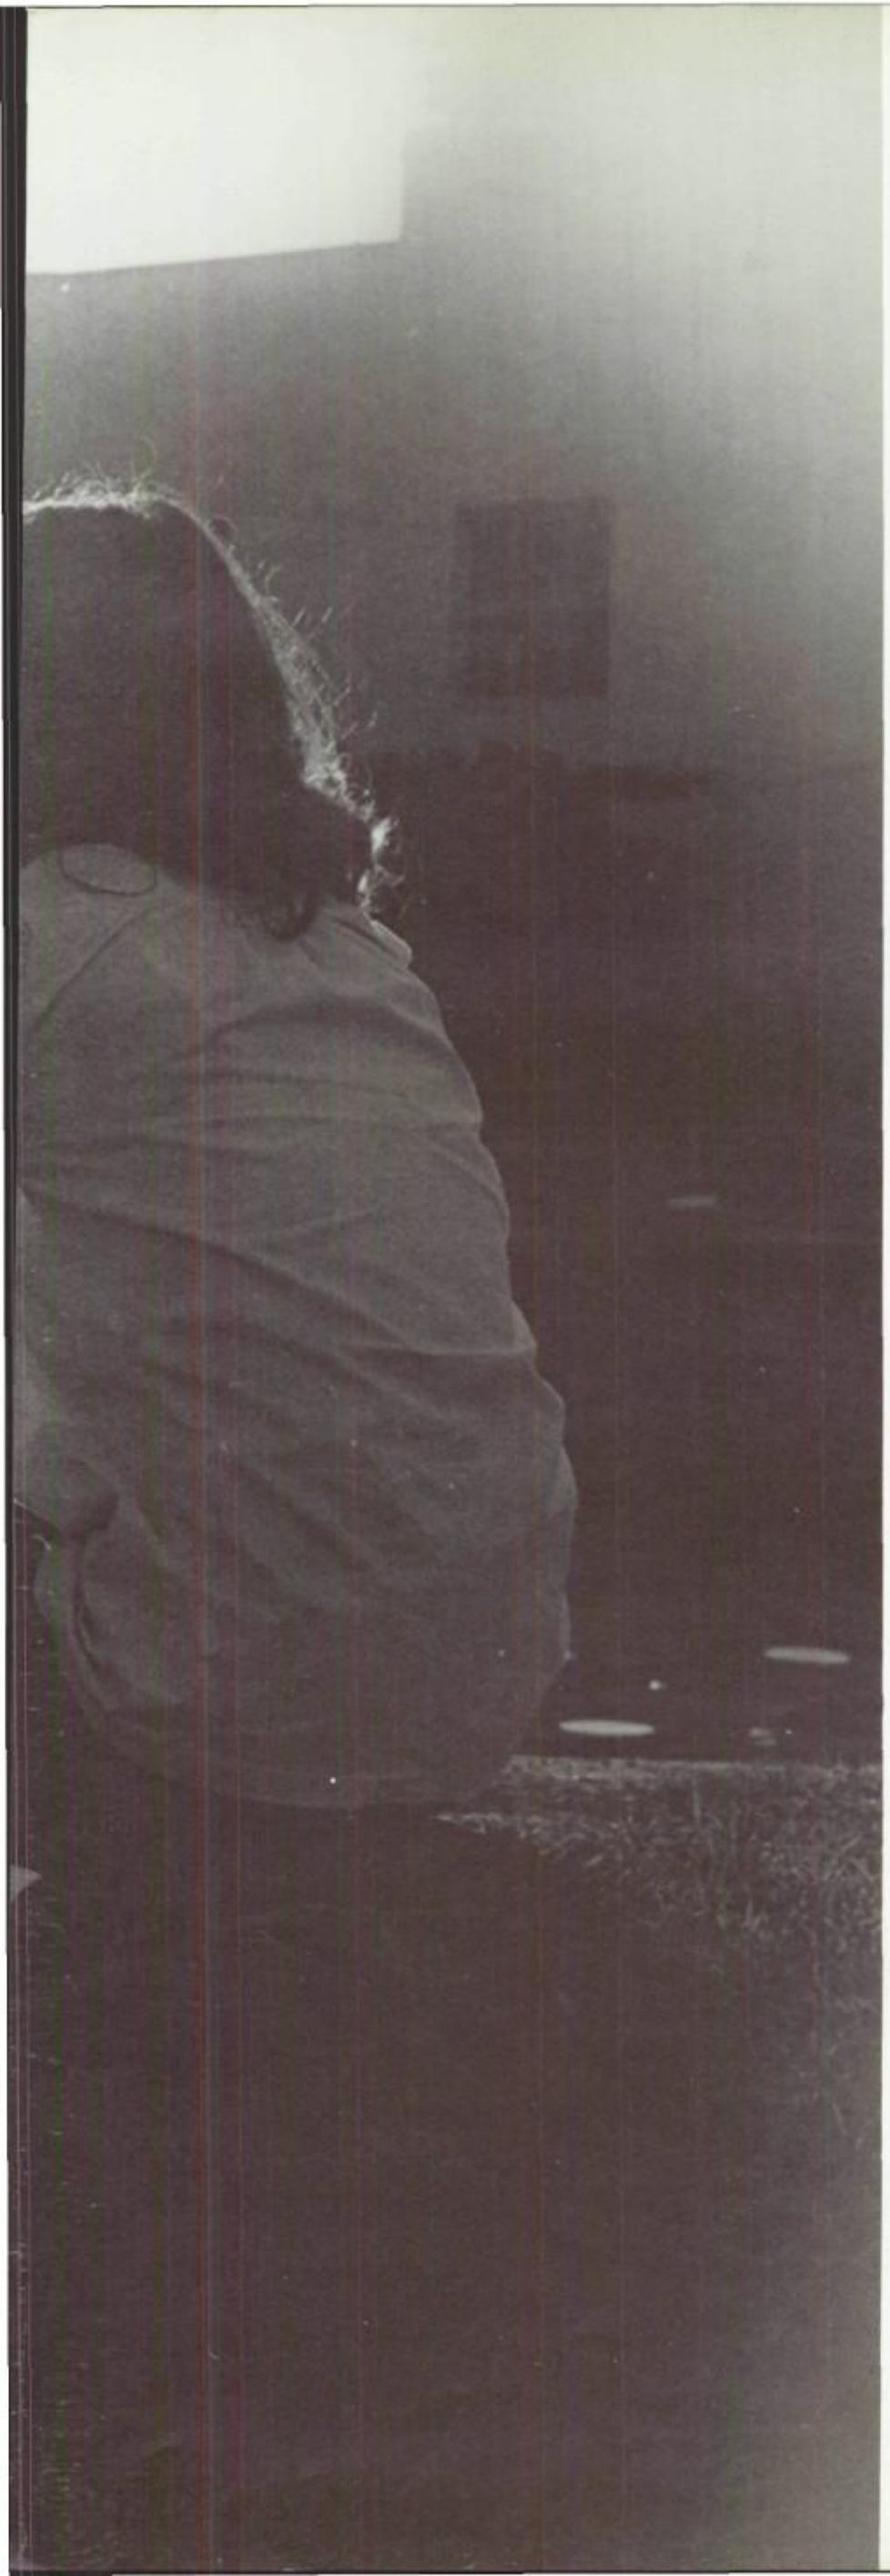
Reflections. . . . . .





Where did the days go?
There seemed so much
ahead at first—

Time stretched out. . .
calendar pages waiting
to be torn off.

We sat for hours,
you and I,
talking,
smiling,
knowing each other,
looking at our
reflections
as they drifted past
on a glassy pool of time.

We talked
of thoughts and ideals,
successes and failures
shown to us
on a misty
mirrored
surface.

Looked again,
saw time slipped by—
calendar pages
turned,
but full of memories,

like stepping through
the looking glass . . .

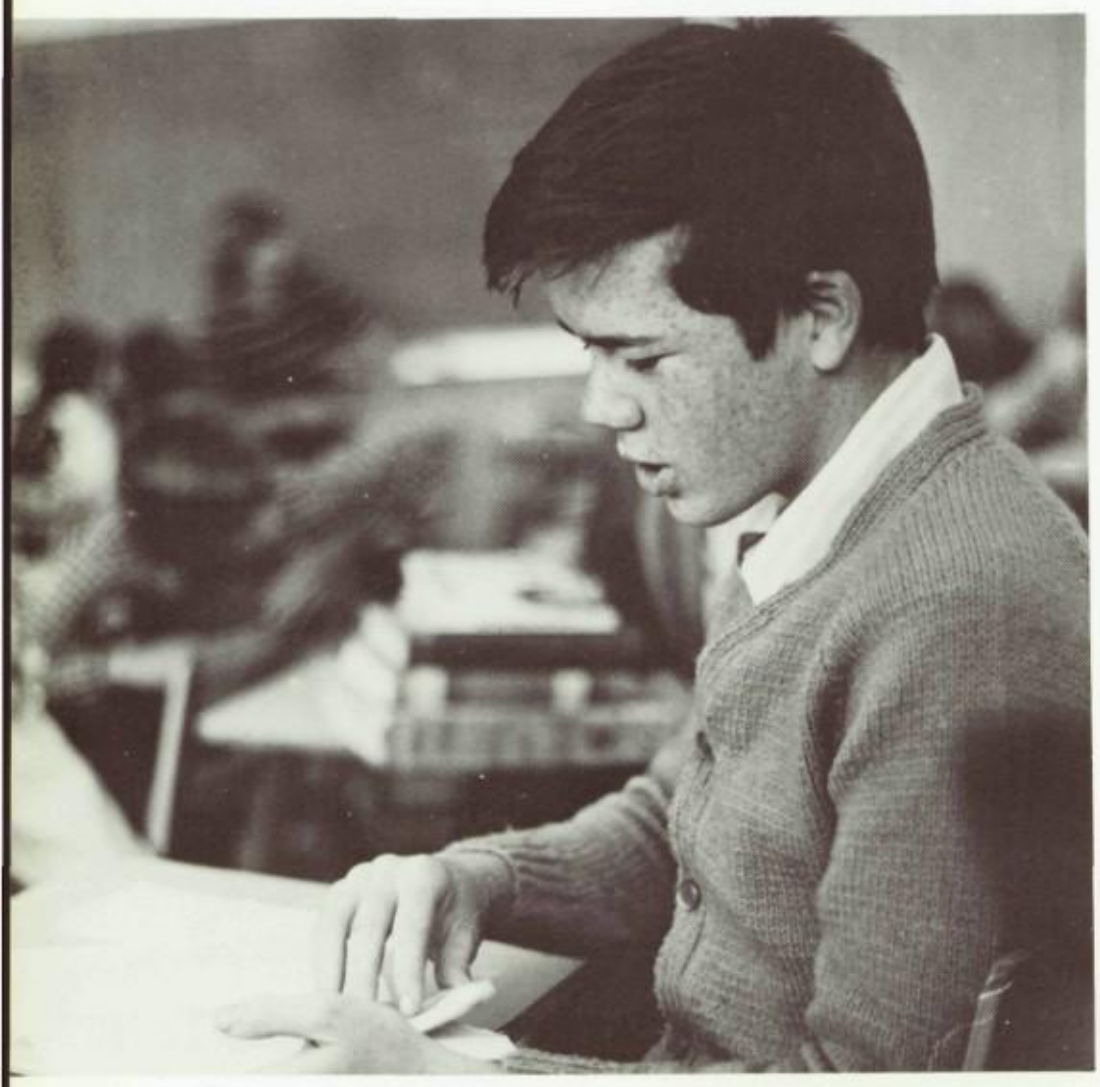
Each new day reflects moods



A day in the life of a Glendale student is many things —meeting new ideas, greeting friends, and laughing, a Day can be simple, or complex and full of tragedy. But many things are common to all.

School starts early for many with early bird, morning practices, or just congregating at the "Y." Soon the yellow buses begin to arrive and the parking lot fills—every group in its area.

8:25! Time for class to begin. First hours are often quiet as many struggle to throw off the remains of sleep. But the day progresses and energies revive. People rush to lockers between classes, run to avoid that inevitable tardy, and share that anecdote that just won't wait another minute. For some the hour of class time seems unbearably long and goodbys are said reluctantly.

What's for lunch? This popular half hour may be spent in one of several places. The cafeteria or snack bar becomes the choice of some, many of who prefer the alfresco atmosphere of lunch under a tree. Those more mobile eaters may select some place off campus to escape the watchful eye of "the teachers."

Afternoons are quiet again. The school population has diminished and things are more relaxed, almost peaceful. The library draws many who seek not only a quiet place to read, but also a chess game or even a chance to hear some music.

As the clock's hand moves closer to the magic hour, thoughts turn away from books and toward the evening ahead. The school day lingers on—practices, rehearsals, meetings—but slowly we wind down for a brief rest, as tomorrow comes all too soon.

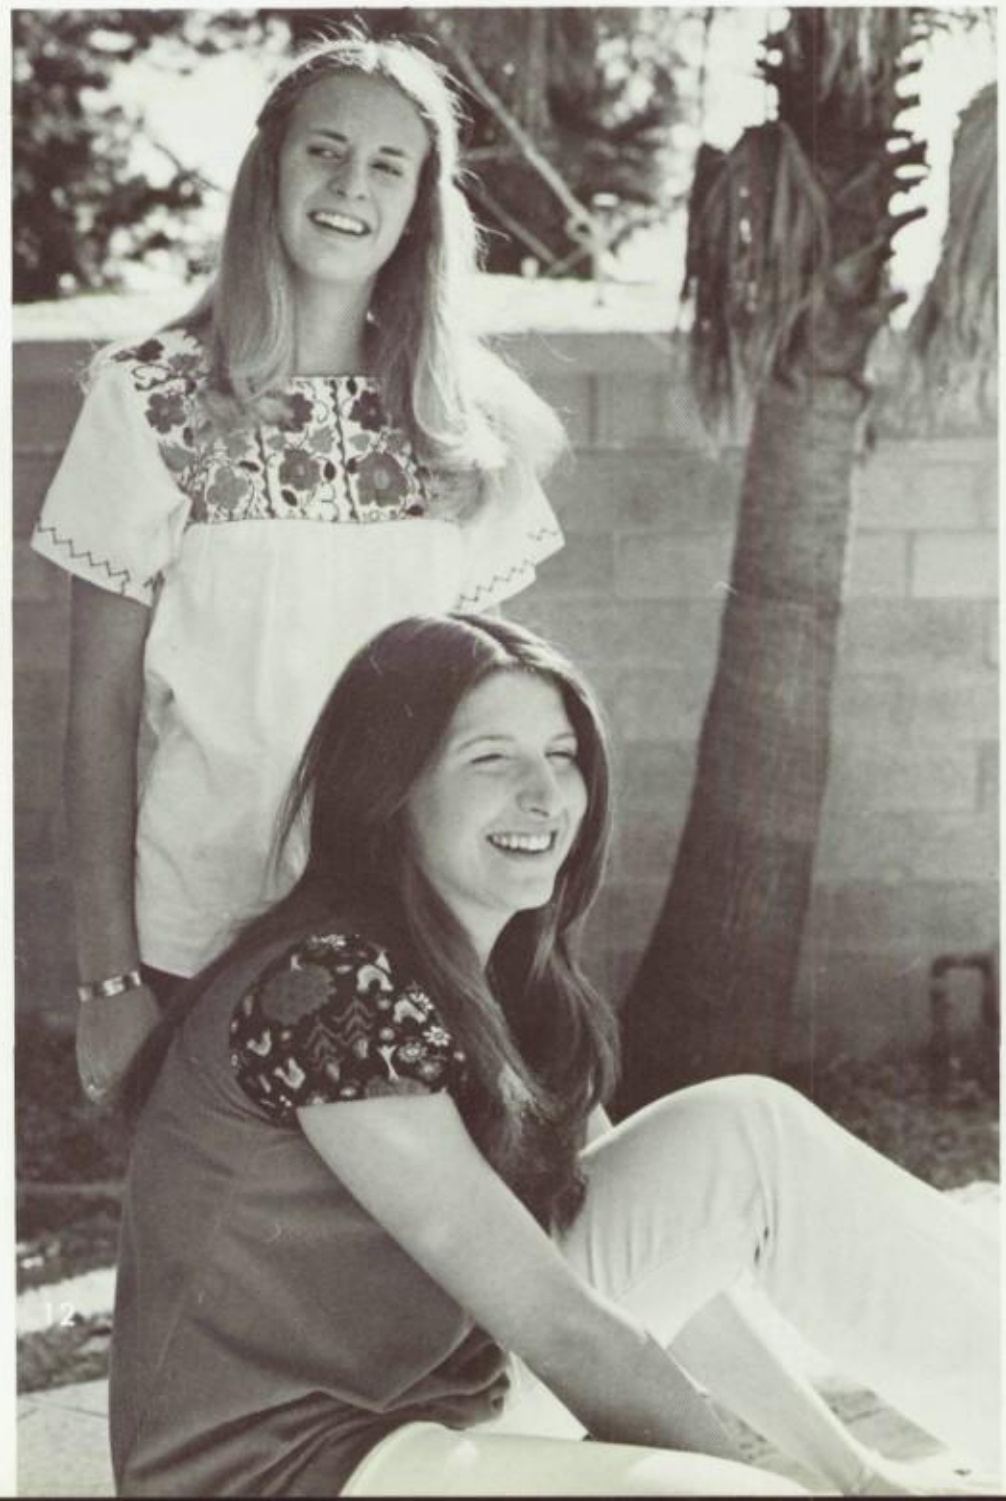
AFS brings athletic Italian to Glendale

Everyone has heard all those stories about the Italians, right? This year Glendale had a chance to put them to a rigorous test. Arriving to stay with Nancy Meyers and her family was Daniela Fiorelli, from Terni, Italy, where her father is a government official.

Descending on an unfamiliar family speaking a strange language can be very traumatic and Dani had some adjustments to make. But soon language barriers came tumbling down and Dani became part of the Glendale routine. Scrapbooks were filled with pictures, programs and memories of Glendale, while Dani proudly displayed pictures of home and Maurizio.

Dani became active in many organizations and found time filled with busy activities. Playing basketball and school classes helped to keep her occupied. As the time in Arizona drew to an end, everyone realized they would sorely miss Glendale's Italian.

TOP- Dani collected many souvenirs of her stay in Glendale, but she also kept a bulletin board to remind her of Italy and Maurizio. RIGHT- A backyard pool provides hours of pleasure in the Arizona sun, as Nancy and Dani show.



LEFT- Leaving Italy doesn't mean giving up basketball. Glendale's "Chicken" Park is a good place to play on a Sunday afternoon. BELOW- Arms full of books, Dani smiles broadly before heading home. BOTTOM- Mr. Meyers, Dani, Feather, Mrs. Meyers, and Nancy.

DON'T DRINK THE WATER is a comedy which revolves around the confused antics of an American family who suddenly find themselves embroiled in an international crisis. Moving clockwise from top center we see Mary Beth Fox in a serious discussion with Keith Norgren; Dale Schone playing a magician, gives an unsuccessful demonstration of removing a strait jacket; Skip Kaye dons the garb of an Arab Shiek in hopes of excaping; Vicki Mehaffey vents her anger at what she believes to be her husbands stupidity; Steve Spinella, an irate cook, rushes from the kitchen to investigate a bomb which disrupted his cooking process; in another part of the embassy; Dale Schoene and Keith Norgren react to the bomb. In the center Ed Pevler accuses the Americans of being spies.

Everything was beautiful at the Arizona State Fair

On what day of any year does Glendale High have the longest absence list? The opening day of the Arizona State Fair, of course! The sounds of a carnival barker or the squeals from a roller coaster, the scent of hot buttered popcorn, the dissolving sweet of cotton candy - all these present an irresistible attraction which makes the fair popular during its two week run. After all, who could resist the magic of a candied apple or a soaring sky ride. The fair was many things and even signs of the coming election were evident.

The promise of an afternoon rock concert brought many Glendale students out on a warm November day. An icy cold soft drink appealed to Nelson Gilkerson (MIDDLE RIGHT) while Bruce Kleinschmidt (BELOW) waited in line for refreshments. With so many things to see and do, it was difficult for Tammy Moulton and Linda Galler (FAR RIGHT) to make up their minds where to go. Vicki Johnson seemed dazed by all the excitement as she gazed over the crowds (BOTTOM RIGHT). Steve Meade, Gus Simpson and Jim Lokey (RIGHT) had trouble finding people.

Everyone wanted souvenirs - pictures, invisible dogs complete with leashes, and stomach aches from too much food. Brian Coveney (TOP RIGHT) tried hard to take a prize home but as the day ended, many trophies hung quietly, unclaimed.

Homecoming '72

The hysterical antics of faculty cheerleaders brought laughter as well as aches and pains. The emotion of a Homecoming coronation shows in the faces of King Mike Tolmachoff and Queen Crystall Milnes (TOP). Attendants Angela Carl and Tom Brewer (CENTER) and Barbara O'Keefe and George Gillespie (BOTTOM). Young participants Chas Doerrer and Debbie Edwards wait eagerly with Cindy Wimer for the crowning to begin. The scoreboard shows the final second of the exciting game with Sunnyslope. Angela, Tom, Mike Crystal, Barbara and George gather for a Homecoming portrait.

Celebration stirs high emotion

With the theme of "United We Stand" in mind, clubs and classes, all plagued with last years mangled chicken wire, lack of napkins, and in competition with the State Fair for people, worked until early morning hours to complete floats - some of which were finished only minutes before the parade through downtown Glendale began.

The afternoon pep rally featured the faculty in a talented endeavor - posing as exuberant cheerleaders and spirited pom-pon girls. Many even marched in the parade returning with blistered feet, and aching backs.

A delayed coronation ceremony eased the pain of the disappointing loss, and royalty was announced. Queen Crystal Milnes and King Mike Tolmachoff, attended by Angela Carl and Tom Brewer, Barbara O'Keefe and George Gillespie rounded the track in a brief moment of triumphant surprise and mixed emotion with the realization that the next day would make Homecoming 1972 only a memory.

Reflections of the times

To every thing there is a season, and a time to every purpose under heaven:
A time to be born, and a time to die; a time to plant, and a time to pluck up that which is planted;
A time to kill, and a time to heal; a time to break down, and a time to build up;
A time to weep, and a time to laugh; a time to mourn, and a time to dance;
A time to cast away stones, and a time to gather stones together; a time to embrace, and a time to refrain from embracing;
A time to get, and a time to lose; a time to keep, and a time to cast away;
A time to rend, and a time to sew; a time to keep silence, and a time to speak;
A time to love, and a time to hate; a time of war, and a time of peace.

Small '73 staff exhibits a multitude of diverse talents

I'll never really understand how we did it.

It was a year for a lot of things—losing keys at Encanto Park, finding the newspaper staff had used the last of the Dektol, realizing that the deadline we finally made was 2½ weeks late.

But these must be things that plague other yearbook staffs, as well as ours. I mean, don't all photographers throw away the picture that's supposed to go on the division page? And doesn't every advisor lose her keys on photo excursions a few times a year? How about the editor—surely drawing caption blocks at 20 picas wide when they're only supposed to be 14 isn't rare!

Somehow we managed, all four of us, (maybe 5 or 6 on an unusual night). The biggest thing we had going for us was the fact that the Administration cut the book back to 224 pages.

Things started looking up, however, when our photo supplies arrived—a year late. Thanks to one "supa" photographer Jon Johnson, the lab was kept functioning and even cleaned at irregular intervals. (Note the good photography)!

And then there's Debbie Ronnie, our rookie staffer. What would we have done without Debbie? For sure, we could never have managed an index. And she always pulled us through when nobody else on the staff knew who the "girl with the knobby knees in the front row" was.

Eric Mecham helped out when it was really needed—taking club pictures and volunteering to print those last 10 or 15 pictures right before Jon turned into an enlarger.

Thanks also goes to Tim Grace and Randy Wood who finally came through with sports copy after a lot of nagging and a few threats. Without their help the sports section would have been a total loss.

That leaves only Lolita, Lolly or just Ms. Claunch without mention. This is another thing I'll never understand. How one person could spend six years chauffeuring people around for pictures, spending weekends in a green room drawing lay-outs or re-typing the copy that I mentioned before, was supposed to be 14 picas wide. This one person year after year has listened to complaints about pictures, coped with every kind of malfunction in equipment and staff, and anything else that happened to be nearby.

As editor, a title I received because there just weren't enough people to fit the titles, I'm grateful that I used my senior year to fulfill your memories.

And as you flip through the pages, reflecting upon what has passed by us and what has passed us by, you will think the 1973 Cardinal Staff has made it a memorable year for you.

Winning . . . losing . . .
sometimes we wondered,
and, looking back—
were we crazy?

Days of practice,
coaches screaming,
salt and despair bitter
in our mouths.

Exaltation is so brief,
triumph often elusive . . .
no one can exist
on dusty trophies—

Why then?

Because, like Everest,
the contest is there.

Glendale's season better than record indicates

The Glendale High football season could be compared to the Rocky Mountains-the only problem is that there were numerous valleys and very few peaks.

At the season's end the record for the Birds stood at 2 and 8 but that is deceiving. Not only did the Cards come close in just about every contest but four out of the nine games were played in conditions not suitable for humans. Games against Cortez, Moon Valley, Apollo and Prescott were played either in a downpour of rain or a mudbath, highly unusual for Arizona football weather.

Highlights of the season were, of course, the opener against the Chandler Wolves, in which the Cards fell in a tough game 21-15. The club's first victory came against the Washington Rams. The game was played at Washington which made the 14-13 victory even sweeter. In this game halfback Larry Aldama ran for 126 yards, tops for any Cardinal ball carrier during the season. Another good game was vs St. Mary's Knights. St. Mary's came into the game rated sixth in the state and the Cardinals had nothing going for them except a losing season and their pride. As games against any Knight team in any sport go, the game was hotly contested but the ability of the Knights to stay cool under pressure kept them from submerging, and they came out with a 13-6 win.

The Cards played a surprisingly good game against the tenth ranked Colts of Cortez, finally going down 20-8. In this game wide receiver Tim Grace caught seven passes, high for the year. Grace also lead the defensive secondary with four interceptions. Paul Olsen (defensive middle guard) lead the team in fumble recoveries with four.

In the season finale Glendale battled the Apollo Hawks. The Hawks were 6 and 3 at the time and Glendale was steady at 1 and 8. The championship of Glendale was at stake. When the final gun sounded the game belonged to the Cards by the score of 7-0 on sheer blood and guts effort by the entire team.

Who is that?

Mud and rain plague Glendale Cardinals

Problems with this year's team were complex. Sometimes the backfield sparkled and the defense soured, or the passing game was great and the running game went no where. The team just couldn't pull it all together at the same time. Coaches Munoz and McAnerny did do a fine job even though the team had a frustrating season.

Next year the Cards will have a 50-50 blend, that is about half are returning and half are graduating. The graduating seniors on this year's team are Homecoming King Mike Tolmachoff, Dave Tolmachoff, Tim Grace, Kurt Springmann, Tom Brewer, Paul Rovey, Mike Wilkerson, Larry High, Rich Beier, Paul Olson, Glen Watson, Mark Wenrick, John Brink, Bob Kitchen, Tom Behrle, Bob Kolb, Paul Inoshita, Paul Brown, Arnold Ochoa, Mark Austin, Art Reeths, Dennis Robinson, Ron Kescolik, Andy Tolmachoff, Louis Garcia, and managers Gary Davis and Dave Woods.

Munoz completes 15 years

The familiar face of Coach Al Munoz will not be seen next year on the Glendale football field. Coach Munoz has resigned after fifteen years of dedicated coaching. In his career here he won a total of 72 games, lost 52, and tied 5.

He led the Cardinals to one state championship, one state runner-up title, four consecutive Sky-line Conference titles, and two B-league titles. He has been the recipient of four Phoenix Press Bos Association Crying Towel awards and has coached the All-Star team twice.

Mr. Munoz was the sponsor of the Lettermen's Club during his stay here, organizing several activities, many of which are still around today. We wish to thank him for all the great memories he has brought us and wish him the best of luck in his future years.

Glendale cross country runners finish fifth in state meet

With baseball and track yet to be finished the Varsity Cross Country team remained the only varsity sport to have a winning season. They completed the year with a 7-1 record but the brightest spot was their fifth place finish in the state meet held November 22 in Yuma.

Since Mr. Smith left his coaching spot for an administrative position the Card squad had to work for a different person. He was Mr. Bill Gahn and he did more than a commendable job. His ability to coach gained him the respect of his boys and it paid off in the long run.

The opening meet was a victory against Chandler on September 15. They won by a score of 23-33 as Juan Gatica and John Popoff finished 1-2 in the meet. Against Washington the Cards upped their record to 2-0 with a 26-31 hard-fought victory. John Popoff took second, Rick Yeager third, Kevin Tucker fourth, and Juan Gatica fifth.

The Thunderbird Invitational was held the next day and Rick Yeager and Juan Gatica finished fifth and sixth respectively in a field of 245 runners.

Next victories were agianst Prescott, Cortez, and Paradise Valley. Yeager, Tucker, Popoff, and Gatica took the first four places in the Prescott meet and finished exactly the same against Cortez. Against Paradise Valley Yeager took second, Popoff third, and Tucker fourth.

In their last two meets the Cards defeated Sunnyslope 27-29 and Brophy 28-29. Juan Gatica set a new course record against the Vikings as Yeager took second and Tucker fourth. Then in the finale against the Broncs Gatica took first and Yeager second. Final action as mentioned was in the state meet where Juan Gatica took twelfth and Rick Yeager twenty-second.

The junior varsity team finished with a final record of 6-5. Ron Anderson lead the runners along with Hank Craft, Albert Bustoz, Steve Sexton, Joe Ronquillo, Ron Pickerell, and Richard Petroff.

The freshmen squad raced to a 9-0 perfect season. They were lead by Ray Flores. Flores finished first in all but one of the meets and earned the honor of competing with the varsity on occasion. Alvin Rollier, Randy Espinoza, Mike Baker and Mike Bustoz were the other freshmen competitors. Their glossy record may be an indication of good things for the future.

Vince McKee-third team All-Conference selection

To call this year's varsity basketball team inexperienced would be the understatement of the year as eight of the twelve team members were juniors. The other remaining seniors saw little action in last year's team that took fifth in the state tournament.

The three starting regulars were leading scorer Vince McKee, Steve Mank, and Willie Winfield, all juniors. Gene Frederick, Randy Wood, Rick Hutchinson, Mat Williams, and Mike Tolmachoff filled the other two positions throughout the year as they finished with a 4-17 record.

Despite all the losses the Cards had their fine moments against some of the better teams in the league. In the Brophy Christmas Tournament, for example, they lost to the number one ranked Tempe Buffaloes by a score of 56-49 although they had led by as much as 10 points throughout the first half. They also defeated Flagstaff and Moon Valley on the first two meetings by scores of 45-42 and 31-29 respectively. These two teams became the hottest in the Conference toward the end of the season. As a matter of fact it took a last second basket for Moon Valley to defeat the Cards 51-50 for their seventh straight victory.

The offensive standout for the Cardinals was Vince McKee who averaged 14.8 points per game. He also grabbed eight rebounds a contest on his way to a third team All-Conference pick. His high games were 25 against Apollo and an identical amount against Brophy. Steve Mank led the team in rebounds and also shot 46.3 per cent from the field. His muscleing ability kept the squad in many games this season. Against Cortez he grabbed 17 rebounds, the high for a Card this season.

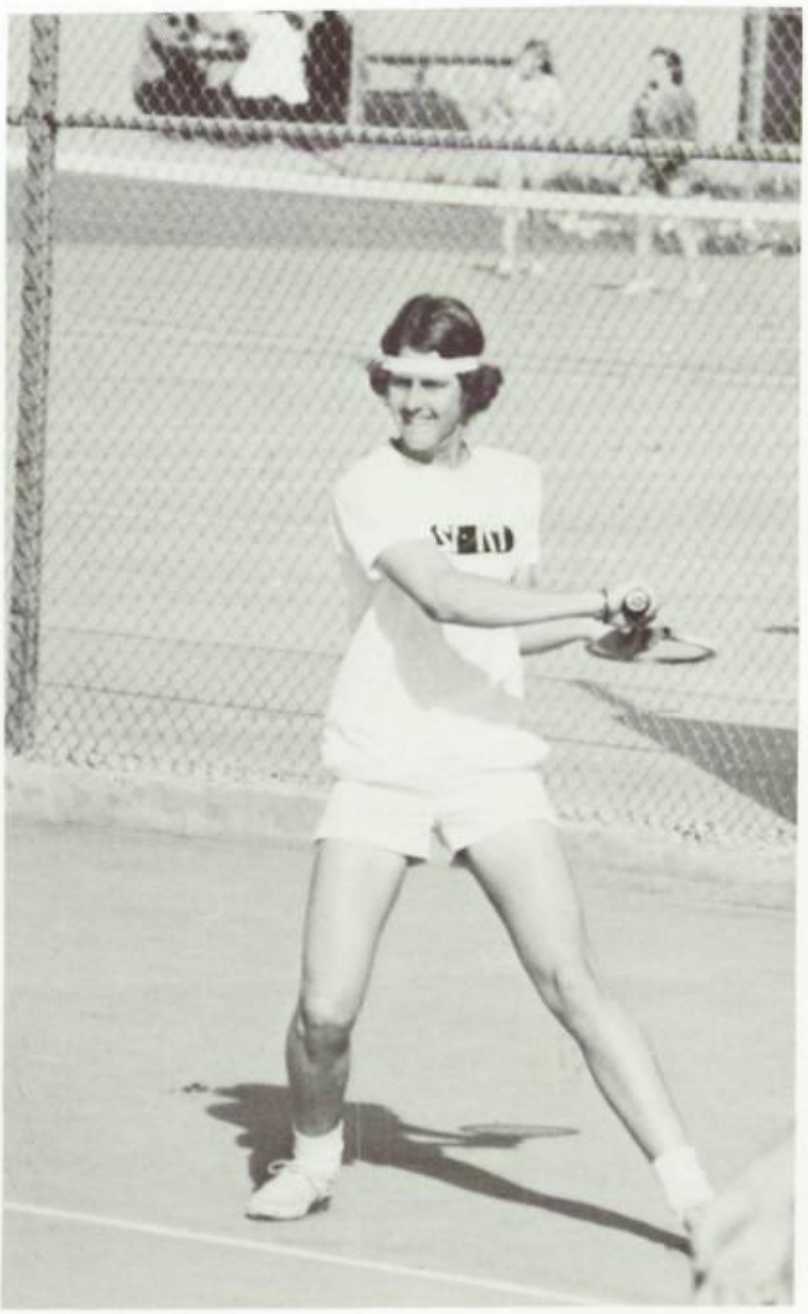
Talented Cards prove net ability

The boy's varsity tennis team at the beginning of the season had its share of problems like most varsity teams this year but maintained hopes of improving as the campaign wore on.

They were led this year by junior Jim Baird and R.D. Fair, numbers 1 and 2 respectively. Coach Blushkofski can expect these two to dominate play next year although at the time this was printed, much action was left in the season.

Seniors also played an important role as Skip Kaye and George Gillespie were next on the varsity ladder. The final member of the squad was junior Chip Starkey.

The girl's tennis team had won 2 out of their first 5 matches behind the net ability of Jan Garland. Judy Frazier Lee Ann Ong and freshman Carrie Kennedy also figured in the Cardinal victories.



Four wrestlers compete in state finals

Although the varsity wrestling team finished the '73 season with a disappointing record there were a few bright spots and proud moments for a few of the wrestlers.

The Cards sent four men to the state meet held at Brophy High School. They were Ross Simmons and his brother Glen, Bennett Burns, and John Godinez. However, Ross was the only one to place in the state meet, winning a fourth place trophy.

In the division meet prior to the state meet Ross Simmons and Allen Forrey were ranked first in their weight classes, although Ross was the only one to place, taking first. The real surprise was Bennett Burns. He was unranked going into the matches but came out first in his weight class. Glen Simmons and John Godinez are only sophomores and insure exciting seasons in the next two years to come.

Also back next year will be Mike Combs, Ben Preusser and John Hancock, who are sophomores, and Barry Matsumori and Ed Bull, who are juniors.

Those who won't be back next year are the pride of the wrestling team-Ross Simmons, Allen Forrey, who is completing four years of varsity competition, Bennet Burns, Tim Treguboff, who has had some fine moments, and Arnold Ochoa.

17 returning lettermen spur track hopes

The varsity track team entered its 1973 season with high expectations for a good season as there were seventeen returning lettermen. Track coach Ken France had two new assistants this year. They were Russell McAnerny and Bill Gahn, adding to a new outlook that was hoping to inspire the club.

Heading the list of returning seniors were hurdler Mike Wilkinson, high jumper Kevin Card, and miler Juan Gatica. They were in their third year of varsity competition and their ability and experience was counted on heavily in the tough Skyline Conference.

The lone junior with two years of experience was Larry Maher. Maher has tossed the shot put 51 feet plus and hoped to improve on that this year. Other returning juniors were milers John Popoff, Rick Yeager, and Kevin Tucker who, along with Gatica, guided the Cross Country team to a 7-1 season record and a fifth place finish in the state meet. Steve Sexton, Ron Venter, Paul Petroff, and Larry Aldama also lettered last year as sophomores.

The lone sophomore from last year's team was Steve Jacobs. He has cleared 12'4" in the pole vault and with three seasons left he stood a good chance to do some record breaking.

Cards prove ability in Skyline Division

Baseball is indeed Arizona's favorite sport and the same holds true at Glendale when the warm weather comes around.

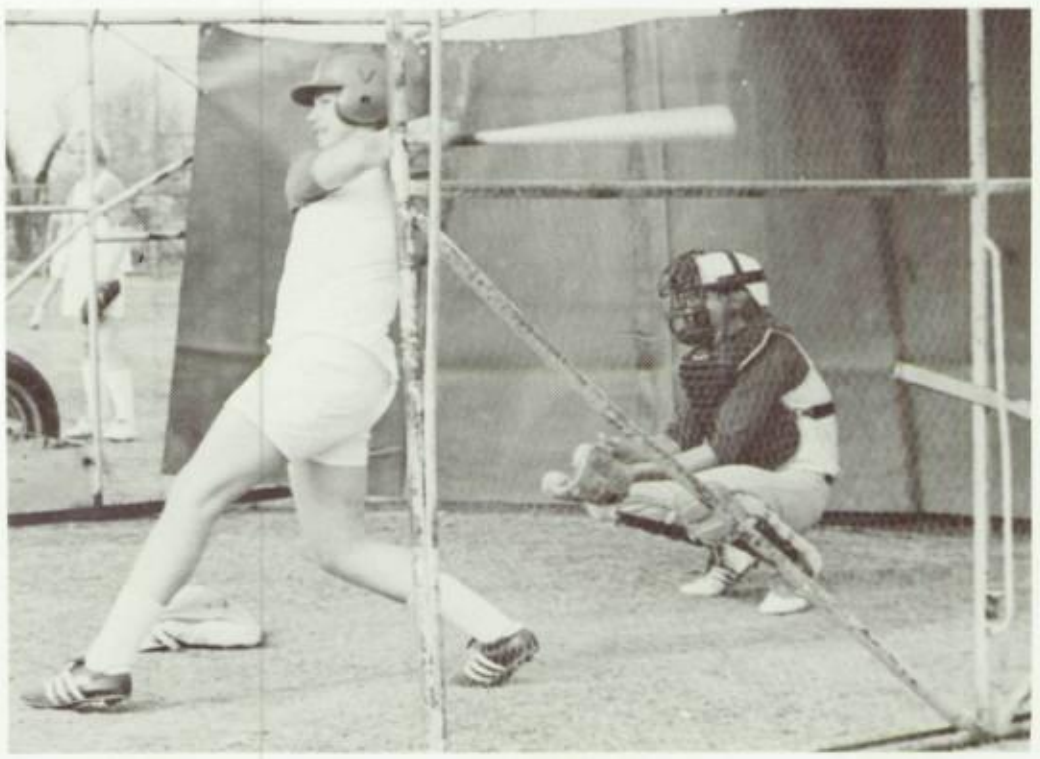
After a somewhat disappointing season last year, this years team should bring up the dismal record from that of a year ago. Everything seems to be fairly well balanced in the hitting, fielding and pitching departments where last year things got a little lop-sided.

In early season practice the team looked inspired and seemed to be looking forward to a prosperous season.

The outfield should be one of the teams strong points with Paul Olson in left, Randy Wood in center, and Bob Stinnett in right. So far Olson has shown signs of having the best arm while Wood seems to have the edge in speed and Stinnett probably is the strongest hitter of the trio.

The infield also looks good with the vital positions at second base and shortstop being held down by returnees Gene Frederick and Eddie Fellers. The twosome should provide a solid double play combination through out the year. Tim Grace and Ricky Fuentes will split the time at first and junior Jake Weber will be the number one catcher. Others figuring on getting a lot of playing time are Rodney Mills, Mark Austin and Reggie Villanueva.

TOP Varsity Baseball Team ROW 1: E.Burruel, R.Villanueva, G.Davis, E.Fellars, T. Grace, D.Lytle. ROW 2: T.Brewer, S.Robertson, P.Olson, G.Frederick, R.Wood, M.Williams, Coach Green. ROW 3: R.Mills, M. Austin, J.Weber, V.McKee, M.France, B.Stinnett, K.Osborne. CENTER Bob Stinnett, varsity co-captain, takes a swing in the batting cage, as Steve Robertson, does the catching chores. BOTTOM Coach Ed Green takes a few minutes out from a practice session for some serious talk with varsity team members.



The pitching problem of past years should clear up this season with a list of four possible starting pitchers. The four include Eddie Burruel, Ricky Fuentes, Rodney Mills and Dale Lytle. Opposing teams in the past have been able to get by Glendale because we usually have but one or two pitchers, but this year should disprove the old routine.

Coach Green has done an excellent job this year combining the available talent and preparing these athletes for competition against probably the toughest baseball division in the state, the Skyline Division.

Too far too soon,
Too much too fast,
God, the rate my life is going frightens me—
Tell me what to do to make it last.

Tell me of your knowledge
You can tell me how to make it last.
It's rushing by too swiftly
What was forever . . now is past.

What's behind the mask?
Is it always
"Sit down!"
"Turn around and be quiet."
"Where's your assignment?"
"You now have three days of detention."

Who are they?
Is it possible that they laugh,
and cry,
and hate Monday mornings too?

It's not the money,
there's not much glory -
but there are those times
"one brief shining moment!"
After all,
isn't that what we're all seeking -
a small niche in immortality.

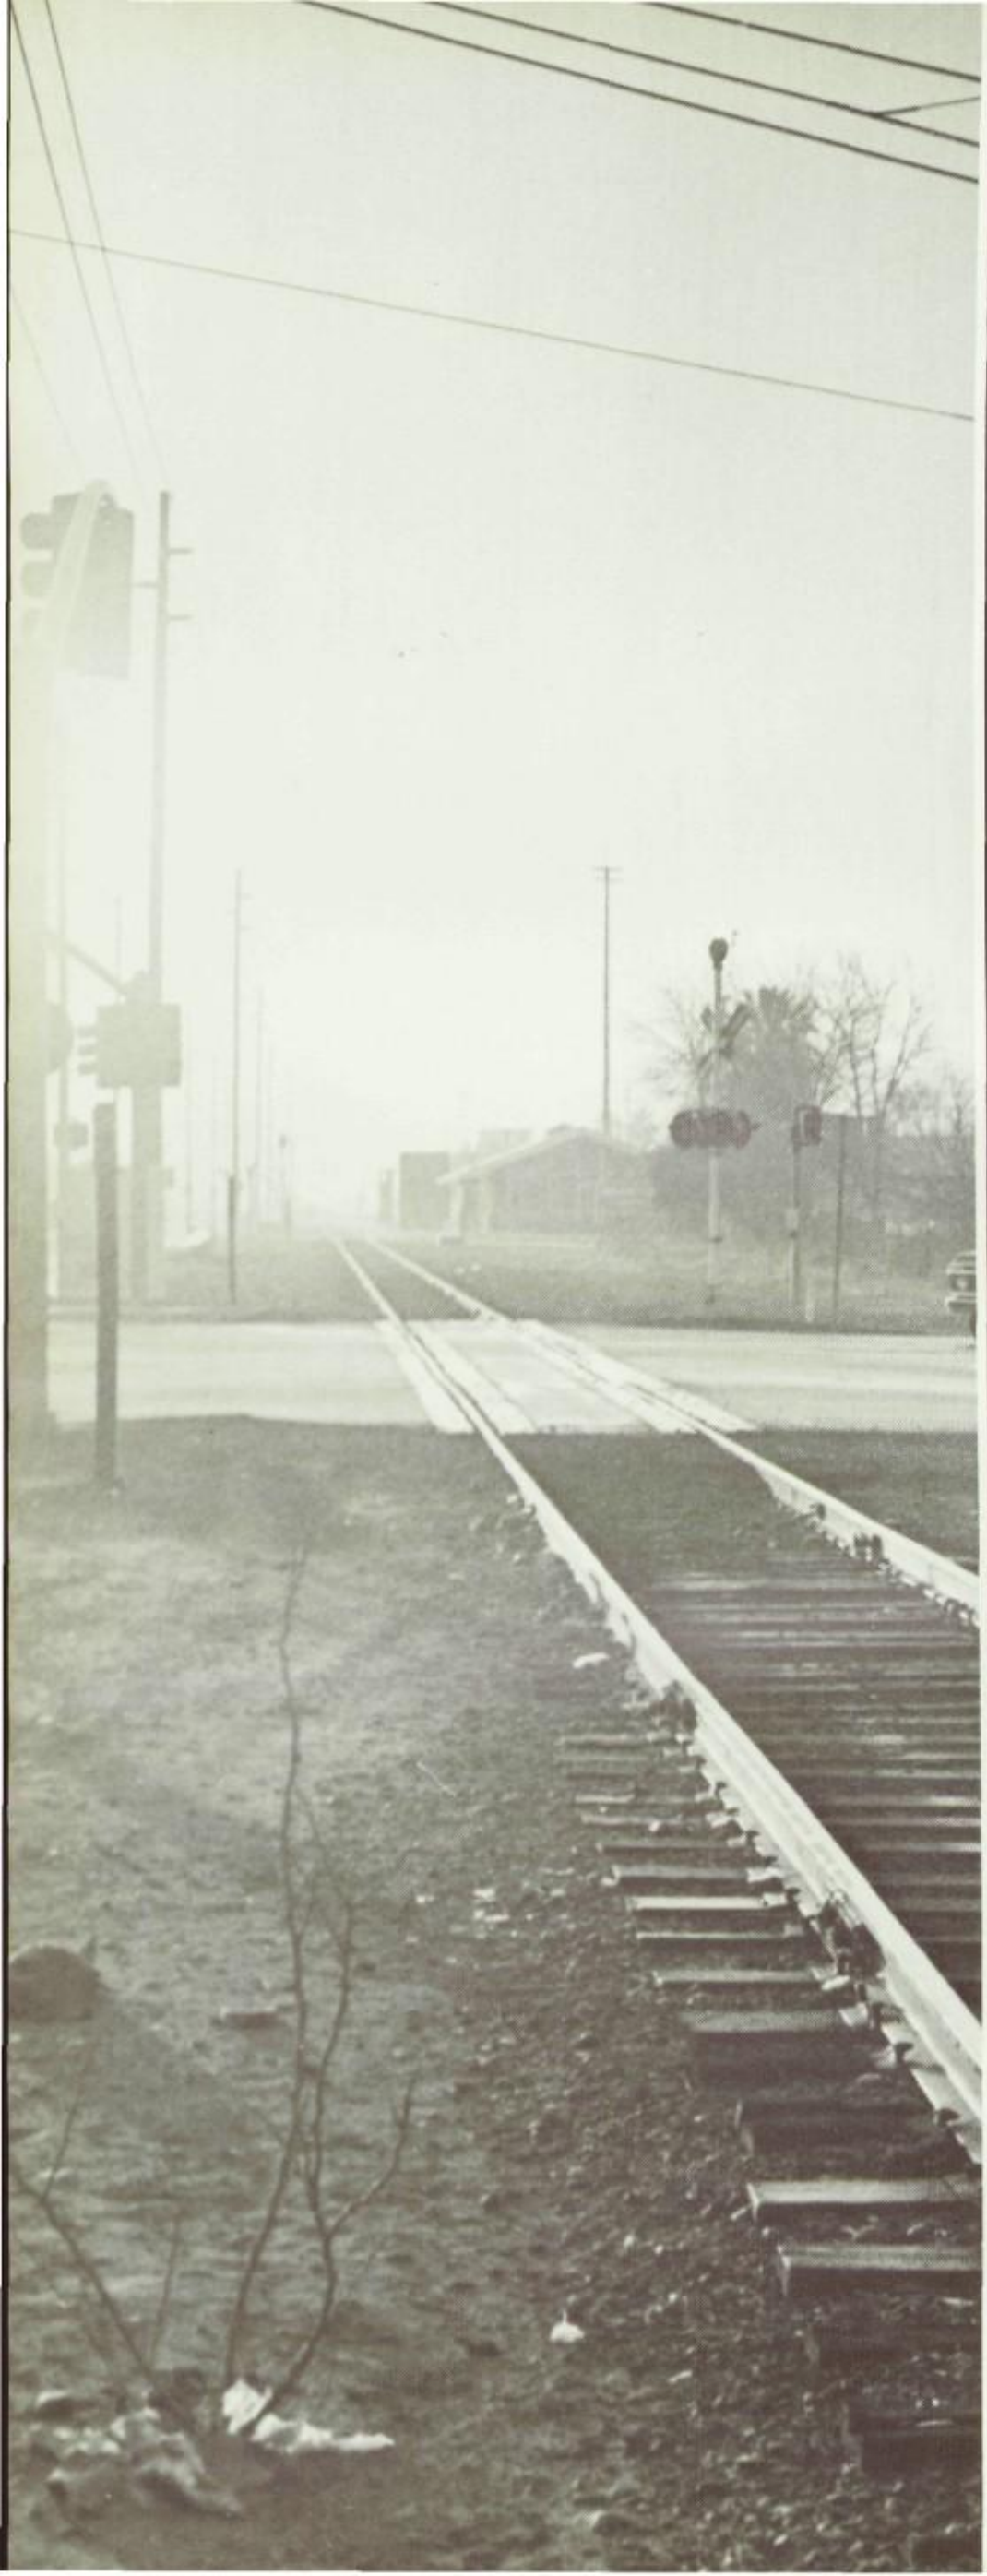
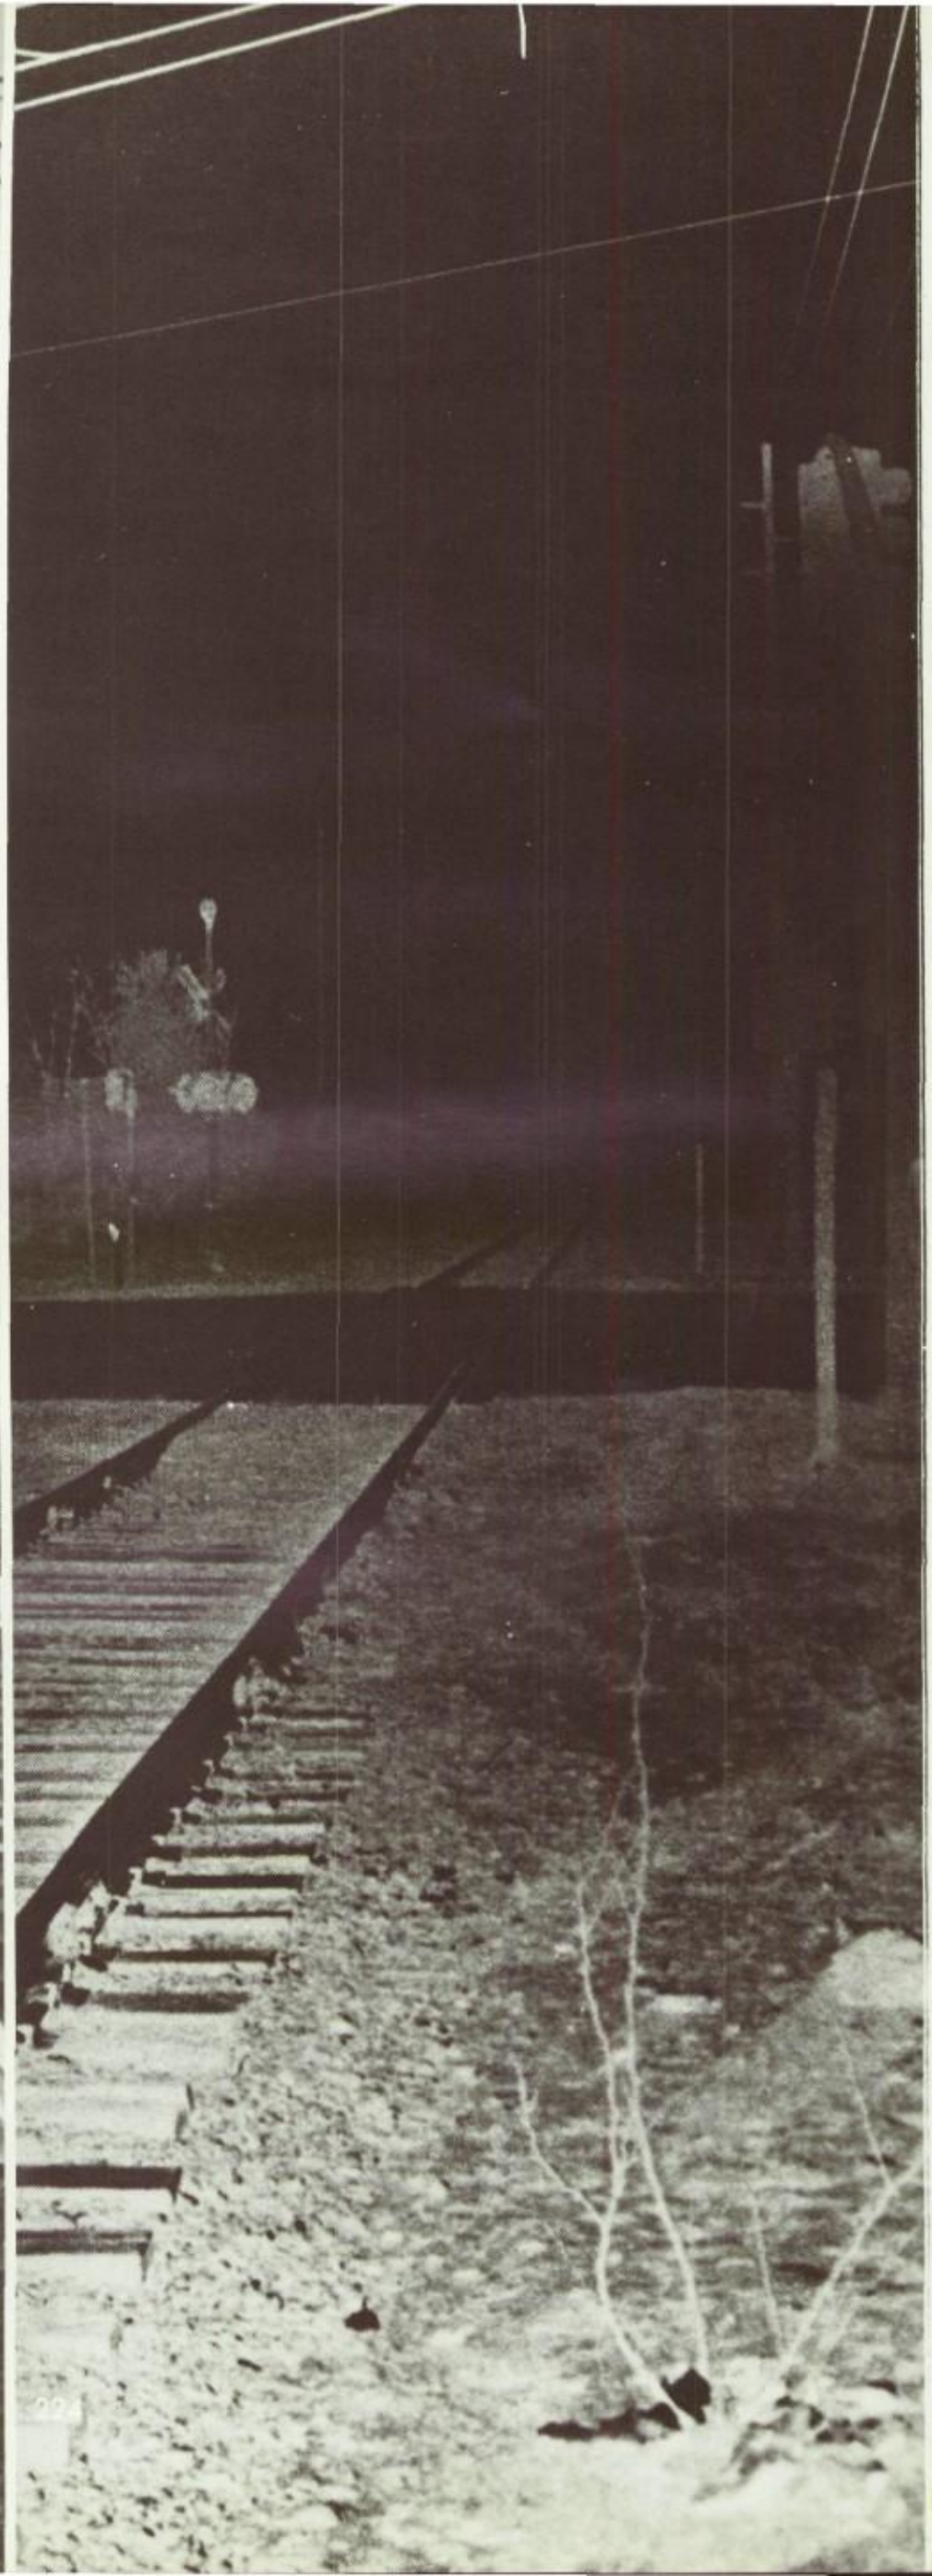
. . . We step through
the looking glass,
cracking the image
that is now behind us.

Glance ahead,
light glance back, void,
uncertain, unknowing,
but the glimmer
of a new reflection ahead
entices you and me
to accept the challenge.

Only a vague reflection
ahead.
Of what?
Of whom?
Only the long journey
will tell.





Dearest Miss Patricia Gayle Jacobs

nigger, well there was a lot of things that should've been written on this page but I don't think I should, I feel you know how much I appreciate you gave me a bad time, but it's over with. Then we're out of the 3 of us. You gave me a chance to be a part of your life, you gave me a friendship. Lets not have showed my life with happy people in my life, you gave me a friendship. Lets not have fulfilled my good friendship. Lets not have to come between our friendship. Lets not have maybe next year I'll get a nice calf, and I won't cause you trouble as much trouble as I did, I want to thank you for letting me keep him at your dairy if not I would've had a calf to put my knee out of place and scrape my hands all up and feet. ha! unless he wanted to go swimming a lot, in my back yard. Well, I'll just have to keep our equipment organized! Take care and right? I hope I've been a help of your life and I hope the rest of your life is happy for the most important thing you know if there's a problem or something I'll

(OVER)

Gayle,

Its hard to begin these things especially when it comes to yours! Its been fun when years full of so many things that you couldnt begin to count. Full of happiness and the deepest levels of sorrows but even so I dont think there is a day I would ever want to change... Ever since 7th grade we've been through thick and thin together how we came through half of it alive I'll never know. But one thing I'm sure of you have been one big main necessity to my life. And thanks ever so much for everthing. All the fun times, crying shoulder times, goof-off, and just plain old having each other for company and of course for that long length of time I lived with you. That was one big memory... and there are so many of them in our past and many more yet to come (being in each others weddings and god-mothers to each others kids) and many many more! I think of you as my sister cuz I cant think of any two people as close as we have been even two real sisters... My big sister only cuz your older than I am but then you'll get old before I will! Ha! Ha! You know how that is cuz I tell you that all the time!! Our friendship is more than just any ole' friendship even though I dont know of any word to explain it except that it isn't ordinary!

to you & we can
help ya as you
me as to me

By any means; but ~~what~~ do you expect when you get us two together? Not anything less... Gayle you are really one special person not only to me but to many others and don't let anybody ever tell you otherwise. This year we have seemed to lead two different paths but there are still major crosses yet to come and your still my favorite person in this big world. Things are rough in this life and no-one is given any guarantee that there life is going to be any easier than the next one so remember when life is going bad your card is bound to turn up and your happiness will come flowing in! I know you'll find your own guy who'll treat you right and deserve you and give you lots of babies! Whether its Gary or not he'll pop up one of these days... just have to wait till time takes its course. Who knows what will happen between Jim and me sure I love him but he's only 16 and has so much going for him to put any stakes on him. Sometimes I wish I had a crystal ball to look into the future but that would take away all the fun of it. Like I said in 7th grade you attract guys like flies... well that still holds and you've got everything else to make up a great gal (even a cowgirl) Anyway you are you're still you! Looks like I'm running out of space but I could go on and on about all our memories but we can just keep those in our own little minds... Gayle I wish you all the happiness this world has to offer and take care of yourself and you start going to school once in awhile you gotta graduate next year!

Love You Much,
Debbie
